

Mogul Firewise Community Meeting

Location – The River Church in Mogul

Thursday 13 March 2025, 6:00 pm

Agenda

- **Introductions** – Génie MontBlanc and Barbara Fenne, Mogul Firewise organizing neighbors
 - Icebreaker – state a fire question you have
- **Community Wildfire Risk Assessment** – Brett Taylor, WUI Community Coordinator, Truckee Meadows Fire & Rescue
 - Look at our map
 - Our rating is “High” – what does that mean exactly?
 - What are our assessed risks and where should we focus work?
 - Egress in a wildfire emergency
- **What does it mean to be a Firewise Community?** – Donald Lovejoy, Community Wildfire Defense Grant Coordinator, Nevada Division of Forestry
 - What benefits does the community receive from being Firewise?
 - Fire Fuel Reduction grant for Somersett overview as an idea of what we can do in the future – Tray Palmer
 - Communication from regional, state, and national leads
 - Getting organized – Megan Kay, Manager, Living With Fire, UNR Extension
 - Where do we put the “Firewise Community” signs? (can put one on Barb’s fence)
 - Are there resources to help adjacent neighbors (Firethorn Circle example)
- **Lessons and restoration from recent fires** – Brett Taylor and Donald Lovejoy
 - Where should we be getting our information when smoke is in the air?
 - Watch Duty
 - Facebook
 - Truckee Meadows Fire Protection District
 - Reno Fire Department
 - Washoe County Sheriff’s Office
 - Sign up for Code Red:
<https://extension.unr.edu/publication.aspx?PubID=4617>
 - Post-fire restoration on Goldranch fire – Bill Buckley, Western Resource Management Officer and Restoration Lead for Goldranch and Davis Fires, Nevada Division of Forestry
 - Plant and seed availability
- **Schedule next meeting** – All
 - Breakout discussion for next topics (if time and attendance allows)
 - Community wildfire planning game at next meeting?
